Little hope held for assistance as council appeals loss of tax base

Anson, Hindon and Minden municipal council could be facing a \$13,000 loss in property taxes in 1982 unless the provincial government agrees to supply aid. That was the outcome of discussions between council-

ors and regional assessment officer Ivor James at the January 13 meeting of Minden council.

The loss is the result of appeals granted to property owners in the municipality by the Assessment Review

Court. Rulings in favour of taxpayers increased substantially in 1981. The number of requests for assessment review has increased as a result of the equalization program, introduced last year by the Ministry of Revenue

and the municipality under section 86 of the Assessment Act.

Under the terms of the program, now adopted by three quarters of all Ontario municipalities, property assessment was updated to

bring it into line with current market value. The reassessment has meant large increases in taxes for some property owners even though the assessment total for the municipality was not changed. Reassessment has resulted, however, in a wide increase in appeals from owners unhappy with revised assessments, which in turn has substantially lowered the tax base.

According to Anson, Hindon and Minden clerk-treasurer Elinor Burke, the Assessment Review Court has reduced assessment an average of \$3,000 each year in the past as a result of appeals from property owners in the

a result of anticipated appeals. Because Minden council's assessment loss falls within these guidelines, just under 1%, assistance from the provincial government is unlikely, James said.

By contrast, Dysart et al has lost four percent of its tax base in appeal actions. In one instance Dysart council was ordered to repay over \$34,000 to the Haliburton Forest and Wildlife Reserve alone. James told Dysart council at a December 14 meeting that some form of aid would likely be forthcoming from the provincial government.

James agreed at the Wednesday meeting to present Minden's request for

Eight new Brownies were welcomed into the Minden Pack in ceremonies January 12. The new members seated around the Brownie toadstool include, from the left, Tanya Berry, Deanna Solway, Cathy Martin, Tammy Walker, Krista Purc, Teresa Short, Fiona Cavanagh, and Rebecca Wilson. Carol Ann Titus also joined the pack but was absent when the photo was taken. Seen with the Brownies are leaders Rita Cavanagh, Cathy Klotchkoff, and Zelda Cooper.

Material purchased by local merchant

A Highlands businessman has provided a solution for the Chamber of Commerce with respect to the excess supply of Haliburton tartan. The Chamber recently found it was unable to meet the payment for the tartan on hand. It had requested the county council grant it an extension on the repayment on a portion of the \$3,000 lent to the organization to purchase the material. That request was denied by the council.

However, this week the Chamber announced that Vince Connaghan had agreed to purchase the remaining tartan from the Chamber. Mr. Connaghan is the owner of the Stedmans stores in Minden and Haliburton.

The purchase means that his stores will become the exclusive outlets for the material. Previously the material was available only through the Chamber office.

According to a press release issued by the Chamber earlier this week, the material had not sold as quickly as had been anticipated when it was purchased three years ago. As a result the organization was hard pressed to repay the loan to the county which financed the original purchase.

The tartan, consisting of white, green, brown, blue, red and gold colours, has been used by the Haliburton Legion Pipe Band, local Cub and Scout groups and others. It is made of 100% pure wool and the design is an officially registered tartan.

Chamber president Rhonda Elstone noted that while the action of Mr. Connaghan solved the immediate problem, there could be difficulties in the future obtaining the cloth. "I don't think we can expect Stedmans to carry the inventory costs over an additional three years," the president

commented.

However, it has been suggested that since the material will now be available in both Minden and Haliburton, and at one of the major stores in both

communities, the stock could be sold at a faster rate.

"It was a natural solution," Chamber manager Bob Stinson commented, "now that Mr. Connaghan is operating the Stedmans stores in both communities."

Dysart receives \$200,000 grant

Dysart et al municipality has been awarded a neighbourhood improvement grant of \$200,000 by the provincial government. The grant was made public in an announcement by the Ministry of Municipal Affairs and Housing January 14.

The grant comes under the Ontario Neighbourhood Improvement Program (ONIP), which was announced by the Ministry in February 1981. Under ONIP, the province contributes 50 per cent towards total costs of

various improvement projects. 45 other municipalities will benefit from the \$12 million in grants awarded through ONIP.

The provincial government expects ONIP projects will be implemented over the next four years, and completed by December 31, 1985. Grant money will go to support a variety of projects throughout the province, including roads, sidewalks, parks, community centres and recreational facilities.

The shrinking tax base: editorial comment

page 4

Anson, Hindon and Minden townships. Awards granted by the review court in 1981 amounted to \$26,501. The reduced assessment will mean a \$13,000 loss in tax revenue for the municipality.

When the equalization program was adopted, municipal councils were told to expect a one to one and a half per cent loss in the tax base as

compensation to Queen's Park, but told council members not to "hold their breath" in anticipation of aid.

"You're one of the municipalities that has suffered less of an impact" he told council Wednesday. "There has been no provision for relief under circumstances experienced in Minden", he said.

Council approves housing study

Area municipalities have moved another step closer to the construction of a senior citizens' apartment complex in Minden Village. The latest step came at the January 13 meeting of the Anson, Hindon and Minden Township council.

At that meeting the council endorsed the housing study undertaken by the provincial government last year and passed a motion requesting that such a structure be built in the village.

Similar motions have been endorsed by Lutterworth and Stanhope township councils. This clears the way for the creation of a non-profit corporation to oversee the building of the apartment complex.

According to the results of the study, there was enough need shown in the three municipalities to warrant the construction of a building

with 20 to 25 units.

The studies, carried out by Ministry of Housing officials in each of the three municipalities, showed that, individually, there was little or no justification for the construction of the complex. However, when the findings from all three townships were combined, the ministry indicated there was enough need to warrant the building of the complex.

Funding for the project will be provided by the federal and provincial governments. Once the building is operating, the rent will be used to offset the operating costs with any shortfall being covered by the senior governments. A spokesman for the provincial ministry has indicated that the building will not result in any additional local tax burden for construction or operating costs.

Council briefs

The following items were discussed at the January 13 meeting of the Anson, Hindon and Minden Township council.

--Armbr Construction was authorized by council to begin using two gravel pits in the Minden area. The Melvin Robertson pit in Concession IV and the David Shuyler pit in Concession VI will be reactivated by the company. The extracted material will be used for the re-construction of Highway 121 this summer. Council stipulated that all municipal roads used for hauling be left in good condition at the end of the contract.

Parking lot closed

--Council has agreed to close the upper parking lot at the Minden arena for the duration of the Kinsmen Winter Carnival, January 29, 30 and 31. Carnival chairman Paul Travers told council he hopes the closure will reduce traffic congestion and eliminate hazards to

pedestrians in the area.

Tender accepted

--A tender from Gulf Canada Ltd. represented locally by John Francis Fuels to supply gasoline, diesel and furnace oil was accepted over a tender by Sid Stamp Fuels. The Gulf tender was accepted on the condition that any price changes be confirmed in advance by the company and approved by council. The following is a list of fuel prices submitted by the two companies based on a price per litre:

Sid Stamp Fuels: Gas; .364; Diesel; .286; Furnace; .254.
Gulf Canada: Gas; .3530; Diesel; .2745; Furnace; .2350.

Collection approved

--Although council has yet to set a budget for 1982, a by-law was passed authorizing council to begin preparing tax bills for this year. The by-law allows the clerk-treasurer to draw up interim bills amounting to half of the total taxes collected last year.

Sign to warn of hazard

The death of a 29 year old Haliburton County man in a snowmobile accident in December has prompted Minden area homeowner to request the installation of warning signs on one of the township roads.

The Anson, Hindon and Minden Township council was approached by Bill Payne at the January 13 meeting. Payne lives on the Bobcaygeon Road just south of Highway 35. The road is open for a short distance in that area to vehicles, but the road allowance is maintained in the winter as part of the snowmobile trail system.

The road at this point drops on a steep grade to the highway and a curve in the road means the highway is not visible until the snowmobilers are close to it. Payne suggested that a sign should

be erected warning snowmobilers that they are approaching an intersection with a major highway and that extra caution is needed because of the downhill grade.

He also requested that a sign be erected indicating that the Bobcaygeon Road portion of the trail is a township road so that snowmobilers would be aware that the route is used by vehicular traffic as well as snowmobiles.

Payne told the council that a snowmobile accident in December which took the life of Ron Sawyer, prompted his concern about the situation near his home.

Road superintendent Earl Kent said he would install a sign at the top of the incline and one closer to the highway warning the snowmobile trail users of the hazard.

When the budget has been completed, final bills for the remaining amount are then sent out. Interim bills are delivered at the beginning of March and are due at the end of that month, while final bills are released early in July and due before August 1.

Recreation appointments

--Council appointed the following persons to the recreation committee for

1982: Senior citizen for the year will be Stan Blears, and senior student will be Terry Crowe. Appointed for four year terms are Dean Elliott, John Cooper, Fraser Rogers, Larry Kent and Tom Russell. Councillors Lyle McKnight and Ed Pergolas were appointed to the committee for 1982.

Dumps inspected

--Council reviewed a site

inspection report submitted by the Ministry of Environment regarding dump sites at Pine Springs and Scotch Line Road. The Ministry found Pine Springs well kept, while recommending that rock be excavated from the Scotch Line site to drain standing water in the area. Clerk-treasurer Elinor Burke suggested council write to the Ministry requesting assistance in carrying out the

excavation.

Rabies clinic

--A letter was received from the Haliburton, Kawartha, Pine Ridge District Health Unit thanking council for the use of the municipal garage for the recent rabies vaccination clinic. The Health Unit reported that the clinic was a success, with over 300 animals being vaccinated against rabies.

New executive for Ag. Society

The executive of the Haliburton County Agricultural Society met Thursday in the Municipal office to elect new officers and committee chairmen for 1982.

Area farmer Wayne Cox was elected president of the society for 1982. Dwain Wruth and Bill Duncan were elected first and second vice-presidents respectively, and Helen Johnson was elected secretary-treasurer for the coming year.

Fall fair committee chairmen elected at Thursday's meeting include Fred and Bess Cox, who will oversee the society's annual fall fair parade. Jerry Pillsworth was appointed chairman of roadsters and hackney ponies. Mary Jane Irwin will oversee the light horses committee,

and Loretta Nesbitt will be responsible for heavy horses. The dog show will be organized this year by Walter Ackersblade.

The executive also discussed problems with the duties of the annual Fair Queen. Past winners have had difficulty attending out of town events, such as the national convention in Toronto each February and the Canadian National Exhibition in August. The executive considered the possibility of limiting the fair queen's duties to local activities such as the August fair and parade.

The society meets again January 20 at 7:30 in the Municipal Hall, when more committee chairmen will be appointed for 1982.

Council grills reps over tourism study

Representatives of the Ministry of Industry and Tourism came under fire from the Anson, Hindon and

Minden township council at the January 13 meeting. The basis for the criticism was the recently released controversial report on tourism development in the Peterborough-Haliburton area.

Ministry official Barry Dobson and representatives from the consulting firm of Laventhol and Horwath, the group responsible for the report, were at the meeting to respond to allegations. The councillors said the report was unfair to Minden and is potentially harmful to development in the area.

The report, completed in September 1981 for the Ministry of Industry and Tourism, is one in a series examining the potential for tourism development in the province. Since the release of the report, council members and business operators have felt development potential in the Minden area was misrepresented and oversha-

dowed by the more positive recommendations for the Haliburton and Dorset areas.

Council members expressed skepticism about the efforts made by the consulting firm to contact knowledgeable people in the Minden area regarding potential for

local development of tourism. There was also objection by council to the description of Minden as a "hinterland" in the study.

According to Councillor Ed Pergolas, the report, "has practically cut the heart out of any development that might eventually come to Minden."

Ministry spokesman Barry Dobson told the council that the report was intended to imply a strategy for tourism development rather than a specific set of opportunities.

Glen Pincomb, representative for Laventhol and Horwath, said "Minden is in a tremendous position to draw from development opportunity in areas like Haliburton

and Dorset." He also stressed, "the word 'hinterland' is a

very positive term to a developer", since it meant that an area was not "chock-a-block with the city". But, he also added, that his firm had found Minden "did not have the concentration of development opportunity that other areas had."

Several area merchants attended the meeting. Eileen Crawford of Hart Lodge, north of Minden, cited parts of the report as being "completely misleading if not totally inaccurate"; and claimed that her property had been devalued by the report.

She added that the document had been "very detrimental" to the area in general. "I would certainly be prepared to fight this report to the bitter end" she said.

When asked if the Ministry would be prepared to add more pages on Minden to the report, Dobson responded, "I can't answer that".

Council has asked to be provided with a list of persons contacted for the study in the Minden area.

Missionary recounts African experiences

Minden residents enjoyed a vivid glimpse of Africa Monday night.

United Church missionary Edith Radley addressed a gathering of 60 at the Minden United Church, telling stories and showing slides of her 35 years of missionary work in

Angola and Zaire.

Ms. Radley, a native of Edmonton, went to Angola as a public health nurse shortly after the Second World War. She was in the country in 1975 when 25,000 Cuban soldiers arrived to quash a civil war under the eye of the Soviet

Union. She and co-worker Betty Bridgeman spent three months in an Angolan prison after Cuban and Angolan soldiers captured and executed 16 of their 40 hospital staff. Radley watched 300 patients in her hospital dwindle to 70 overnight when military terrorism sent patients fleeing to the bush as refugees.

Both Radley and Dr. Bridgeman were finally deported to Canada in October 1975. They remained determined enough in their work to return to Africa one and a half years later to work in an ecumenical hospital in Zaire.

Ms. Radley is currently on a speaking tour of United Churches in Canada. Her work in Africa was sponsored by contributions from United Church congregations such as Minden. Her insights into the political and domestic troubles which plague Angola and Zaire were proof to the congregation of the work which their dollars support.

Edith Radley displays a basket, one of the many souvenirs of her years of service in Africa.

Truck rolls - man injured

A 34 year-old Minden man was injured Friday evening when the truck he was driving rolled over into a ditch on Highway 35 near the Victoria County Line.

Lawrence Anderson of R.R. 1 Minden was north bound on Highway 35 when he lost control of his pickup truck on a curve, striking a ditch and rolling the vehicle. Anderson suffered a sore neck and back in the crash. He was treated at the Minden Red Cross Hospital and later released. The mishap caused \$1,500 damage.

P.C. Jim Solway was the investigating officer.

Strikes dock

A 41 year old man was injured when his snowmobile struck a snow covered dock on Lake Kashagawigamog.

Neil Gilles of Mississauga was admitted to Haliburton Red Cross Hospital suffering a concussion after being thrown through the air by the impact of the crash. His snowmobile sustained \$2,500

damage in the crash, which occurred in the narrows between Grass and Kashagawigamog Lakes.

P.C. Bob Pearson investigated the incident.

More thefts

Minden OPP detachment investigated a rash of snowmobile thefts over the weekend. David Reesor, 19, of Markham, had his snowmobile stolen Friday evening when he abandoned it near Kennis Lake earlier in the day because of mechanical problems. P.C. Bibby handled the incident.

Haliburton Marine was the victim of several thefts between January 12 and 17. Two snowmobiles were stolen January 17, and two snow machine engines went missing mid-week from machines parked on the lot. On January 14 a third engine was reported missing from Haliburton Marine. One of the stolen snowmobiles was recovered on St. Peter's Rd. in Stanhope township. The thefts were

investigated by constables Jim Solway and Bob Wood.

Pair charged

Two area youths have been charged in connection with the theft of a car from the residence of Allan Bagg on January 14 at Eagle Lake.

Charged with taking a motor vehicle without owner's consent are Darren Scott, 18, of Eagle Lake, and Brett Floyd, 20, of Haliburton. The two youths took Bagg's 73 station wagon from his home and later abandoned

it on the county road between Eagle Lake and West Guilford. P.C. Brian Ladurantaye was the investigating officer.

High crime

Daring thieves braved great heights Sunday when they made off with 10 feet of pole and a double head T.V. receiver from atop a cottage on Benoit Lake.

Cottage owner Allan Watson, 39, of Bowmanville

reported the theft to the Minden OPP detachment. The equipment was valued at \$60.

Boxes gone

Rising postal rates will be particularly rough on certain residents of Hindon township this week. P.C. John Gray responded to a call Sunday morning to find that six mailboxes had been stolen from Scotch Line road overnight. The theft was reported by resident John Roland.

23 for the road

Perhaps the old adage "crime doesn't pay" can depend on the crime.

Thieves entered the Wilberforce Curling Club through a basement window Saturday night and consumed 23 pints of beer. The theft, reported by club secretary Gerri Waugh, was not discovered until Monday night. The incident was investigated by P.C. Bob Wood.

The stolen goods have not been recovered.

An eroding tax base

Anson, Hindon and Minden municipal council was right to register their objections with the Ontario Ministry of Revenue at the January 13 meeting. Representatives of the provincial department were on hand to hear their complaints but they held out little hope for any form of compensation.

The township has lost \$12,000 in taxes, money which can only be recovered by boosting everyone's share of the municipal levy. The tax loss stems back to the council's agreement with the ministry to permit re-assessment of properties to take place. The purpose of this action was to bring property assessment in line with market values.

The change was done with the best of intentions. Formerly municipal rates were based on values of ten or more years ago. As a result, when the taxpayers received their assessment notices, there was little relationship between the figure on the notice and the real value of the property. The reassessment was intended to eliminate this discrepancy.

When the reassessment was finished, certain property owners found their taxes had risen, in some cases by substantial amounts. Others in the community found their taxes had fallen as a result of the reassessment. Many of those who were handed higher tax bills objected, taking their cases to the Assessment Review Court. Some of these won their cases and the tax base on which the municipality collected its revenue started to erode.

Naturally, those who won reduced taxes were satisfied.

In a normal year the township may lose up to \$3000 in anticipated taxes through appeals. This year that figure is \$12,000 or more. The amount represents nearly one per cent of the municipal budget, a significant amount. (We should note that Minden is not the only community to suffer a loss. Dysart et al has lost close to 4% of their taxes. They will probably receive assistance from the province.)

Market value assessment is a worthwhile goal. The province was right to encourage it. But, at the same time, it should be willing to cushion the impact the reassessment is having on all municipalities.

Coming up

Friday, January 22: Free movie for children, Library/Cultural Centre, 7:30 - 8:30 p.m.

Sunday, January 24: General meeting and workshop of Minden and District Trappers Council. Professional pelt handling demonstration. All licenced trappers welcome. Minden.

Monday, January 25: Free movie for adults at Library/Cultural Centre 2 - 3 p.m.

Wednesday, February 3: A community shower for Bess and Fred Cox in the United Church basement. 7:30 p.m. Everyone invited.

Thursdays - Minden Nursery Play School welcomes the public for a skate at the Minden arena starting January 7 from 2-3 p.m. and every Thursday in January. 75¢.

Dawn guilds the new snow

Letters Letters Letters Letters Letters

Editor:

As many will have noticed, the Minden Arena has recently had an alcove added to the side of the main building. This addition will save an appreciable amount of heat, and will help clear the main doors of congestion.

I would be remiss in my duties if the following persons and firms were not commended for their assistance to the Recreation Committee in the giving of

their services and/or products for free or at reduced prices. Listed alphabetically, they are:

Don A. Campbell, Building Construction.

Jeff Campbell, Masonry Contractor.

Lynn Forsyth Concrete Floor Finishing.

James Garbutt - Garbutt Enterprises.

"G" Glass Products.

Gull River Building Supplies.

J.A.C. Kernohan Con-

struction Ltd.

Chris Miles - C.M. Construction.

McKnights Haulage.

In addition to this list, our arena manager, Brian Sisson deserves the highest of praise for the many days off spent assisting the various contractors and generally supervising this project.

It is this type of effort from private individuals and firms that has resulted in this project being completed well below a 1975 cost estimate. It is also an example of the co-operative effort that makes Minden the type of community of which we can all be proud.

"Thank You", one and all, for a job well done!!

S. Dean Elliott, J.P.,
Chairman,
Minden Recreation Committee.

Editor:

It would seem from a report about the Minden Library

appearing in last week's Times that there was a drop in circulation. If the release was read accurately, it would have been obvious that the hours were fewer.

1980-786 hours, 1981-732 hours. The report reversed these facts. You will find that the circulation per hour was exactly the same for both years.

Libraries are now used for many things, such as crafts, movies, puppet shows, and not just for books, as the music and reading tapes, magazine and filed material are used much more.

Perhaps in 1982, we will find that the move to the new quarters is a step in the right direction. The borrowers who drive find room for parking, and perhaps they might ask a friend or neighbour to share their car; some people still have to walk.

Jeanne Sears,
Acting Librarian,
Minden.

OUTDOORS

by Ron Reid of the Federation of Ontario Naturalists

In 1958, a curtain of concrete was created across the mighty St. Lawrence River near Cornwall, by the name of the Moses-Saunders Dam. Constructed to provide electrical power, the dam created a new lake 45 km long, and flooded out 8 communities, over 500 homes, and 225 farms. In the process, the dam also blocked the historic migration route of the American eel. Very little can be done to compensate the loss of communities and farmland to this project, but at least we have found a way to help the eels.

These eels are not the dreaded lamprey which caused so much damage to the fisheries of the Great Lakes. In fact, lampreys are not eels at all, but rather from a more primitive family. American eels are actually a species of fish, with a characteristic elongated shape and undulating swimming movement. They are fished commercially in Lake Ontario as a specialty food, and their loss was considered a serious blow to the Lake Ontario fishing industry. As well, since eels feed on small crustaceans and small fish such as alewives, their role as a predator in the Lake's ecosystem was disrupted.

American eels are like

salmon in that they migrate, except that eels migrate in reverse. Adult eels spawn somewhere in the Sargasso Sea area of the Caribbean Atlantic, and the young eels migrate to fresh water to feed and grow as part of their life cycle. In the process, the abundance of these eels piled up below the Saunders dam and clogged the turbine housing whenever the flow was shut off, creating serious maintenance problems.

The answer was found in 1974, when a wooden eel ladder was constructed by Ontario Hydro. A series of baffles set in a herringbone fashion allow the eels to climb

a trough with a steady flow of water, and to escape into the rich feeding grounds of Lake Ontario. By 1979, more than four million eels had made use of this ladder to restore their traditional migration patterns.

A new improved version of the ladder was recently installed to provide a more permanent solution to the eels' dilemma. With the help of Ontario Hydro and the Ontario government, it appears that American eels can continue to be a part of the Great Lakes fish community for a long time to come.

SECOND CLASS MAIL REGISTRATION NO. 0936

Ice racers-- a rare breed

Maybe you have to be a little crazy to be an ice racer in the first place. But to be an ice racer in temperatures of minus 25, you've definitely got to have a few loose screws under the hood.

The severe weather didn't chill the the spirits of the over 50 drivers who competed in two days of racing at the Minden Fair Grounds on the weekend. Even though 50 kilometre winds forced a cancellation Saturday afternoon, they were at it again Sunday, undaunted. By the afternoon all scheduled races had been run.

The races marked the inauguration of the Minden track, built and maintained by Minden residents Tom Prentice and Alan Upton. The two began work on the track well before Christmas and continued with constant icing and ploughing right up to the weekend.

Minden racers didn't exactly slide away with the event however. Tom Prentice left the track on three wheels Sunday when his mini lost a tire in the feature race; the errant tire was the only part of Prentice's car to cross the line. Prentice, who raced two cars on the weekend with his wife co-driving, finished fourteenth in the rubber-to-ice final. Ray Kunkel of Minden placed eleventh in the same event, while John Coneybear came in thirteenth. Coneybear fared better in the studded tire class feature, placing sixth overall. Nicholas Beck of Willowdale was the big winner in the final day's racing, finishing first in both feature races.

The races were attended by over 100 enthusiasts from around the province. The event encompassed cars from nine of the ten classes in ice racing, including Minis, Toyotas, Volkswagens, Datsuns and even one driver who braved the elements in a convertible MG. The whole show was conducted in the true made spirit of the sport; the yellow flag was put to use often as many entrants ended up deep in the snow banks which surrounded the track.

If you were too sane to take in the weekend madness, your chance will come again at the Minden Winter Carnival, when both the pit and the track will again ring with sound of that rare breed of drivers who prefer ice to pavement.

It's worth the fun to risk the frostbite.

FROM THE CHAMBER

By Bob Stinson

Trail reports are now being put out by the H.C.S.A. They are available to the public through their Federation and the Ministry of Industry & Tourism. Likewise the cross-country and downhill ski conditions are reported regularly through O.S.R.A. The weather has caused some problems with grooming, particularly where there are ponds that still refuse to freeze up and some questionable lake conditions.

The biggest problem for the associations however, is funding. After first saying there would be no funding, then saying there would be some, probably 40% or more, the Ministry of Natural Resources finally comes up with 17% of last year's grant to the local clubs.

They had claimed that the reduced fund available would be spread among the clubs with the greatest need and with that criteria in mind we certainly expected our area to get a reasonable percentage. This weekend we talked to a member of a snowmobile club from St. Catharines whose club had been provided with 15% of their previous year's allotment. He didn't feel his club should have received any and certainly felt more should have been designated for Haliburton. "After all", he said "about the only ones that run our trails are our members, but up here the percentage would be the other way around".

When the M.N.R. estimates debate came up at Queen's Park, John Eakins fought hard on our behalf and quoted passages from letters written by the Chamber, the County, the H.C.S.A., the Haliburton Cross Country Ski Club, and the Lake

Kashagawigamog Tourist Association to prove his point with the Minister, the Honourable Allan Pope.

In discussion, Mr. Pope admitted that he felt clubs will continue to require assistance for their programs but is firm that they will not get in from his Ministry. He is not prepared to look for other alternatives for them but notes that in the case of the club he belongs to, which is in Sudbury, funds secured through Wintario will probably be sufficient. In Sudbury that may be the case - but he is not prepared to look at the difference in Haliburton Highlands.

Winter promotion by M.I.T.

Now that one branch of our Provincial government has succeeded in shutting off the funding to provide the recreational facilities that are helping our area in the winter, we must say that the other branch, the Ministry of Industry & Tourism is doing a great job of promoting them. Now if we can just continue to provide what they are promoting.

The supplement which was distributed in last weekend's papers went into over 2 million households and is having a dramatic effect. Unfortunately there were some errors in phone numbers which is causing some confusion but the over all effect is very positive.

The Chamber is now getting a lot of calls for more information on both events and accommodation as a result. Often we are hard pressed to provide answers. This past Saturday we received over a dozen phone calls for details on the car races on ice at Minden but

had no information to provide. The amount of time we have to try and track all this down is certainly limited also, so we would ask, if you are at all interested in promoting your event or your business please keep our office informed. We are now open six days a week and a call to 286-1760 will be all that is necessary.

Newsletter on the way

The column this week is rather short, but that's because we have been busy putting together a Newsletter for you. It is on its way and for those of you that are members there is a lot more reading of interest in there for you - and for those who are not, why not join up to-day and we'll give you a copy.

Carnival schedule change

A slight change in schedule for the Minden Kinsmen Winter Carnival has occurred since the programs were printed and distributed earlier this week.

The schedule in the program indicates there will be public skating at the arena all day Sunday, (January 31). This should be amended, however, because a Haliburton Huskies game has been slated for Sunday afternoon at the Minden arena.

A complete schedule of Winter Carnival activities will appear in next week's edition of The Times.

Help available for farmers

- by John Eakins, M.P.P. -

I would be pleased to hear from our farm community regarding the Farm Assistance Program.

As you know, the details of Ontario's Farm Adjustment Assistance Program are now final. They are laid out in the report tabled in the Legislature. There are four eligibility criteria:

In the first place, a producer must have a remaining equity of between 10 and 50 per cent in his farm assets, measured at current asset values. The program will be flexible enough, however, to assist producers with exceptional ability and a low net worth.

Second, the producer's interest and principal payments must exceed 20 per cent of operating costs.

Third, the producer must have realized receipts of more than \$25,000 in 1981 for food or tobacco products produced on his or her farm.

And finally, in the opinion of the local screening committee, the producer's enterprise must be viable in the long run.

The initial screening of producers will be done locally by a committee comprising the bank manager, the farmer's accountant and the local agricultural representative. The committee will devise an assistance package tailored to the individual producer. A provincial committee of three senior people will be charged with making the final decisions on all cases approved at the local level. These people will have the cooperation of head office staff.

The people who will serve on this committee are: Mr. Peter Taylor, Mr. Bob Sanderson, and Mr. Ed Hutton. Mr. Taylor will serve as chairman. He is from Toronto and is a former partner in Price Waterhouse Associates. Mr. Sanderson is

from Leamington, and was formerly the manager of agriculture for the H. J. Heinz Company. Mr. Hutton is a farmer and member of the Farm Products Marketing Board.

If they approve an application, the producer may receive help through one or more of the following mechanisms. The bank may defer interest for a period of six months. The government will guarantee the deferred interest and the banks have agreed not to compound it. The producer may receive an interest reduction grant on floating rate bank loans up to five percentage points for a period of one year. This provision will not reduce interest rates below 12 per cent.

Finally, the province may guarantee a new operating line of credit for a producer. The line of credit would be provided by the banks at the prime rate.

Minden Rotary Club vice president Al Mayo presents the consolation trophy to the Beaverton Pee Wee captain at the conclusion of the play-off game. The team defeated Cookstown 4-2 to win the hardware.

CLASSIFIED ADVERTISING BLANKET COVERAGE OF ONTARIO FOR ONLY \$125

Lindsay captures Pee Wee championship

The Lindsay Kinsmen Pee Wees claimed the Rotary-Cavalier Pepsi Challenge Trophy Sunday afternoon as they were declared champions of the annual Pee Wee Hockey tournament. Sponsored by the Minden Rotary Club and Minden Minor Hockey, the tournament was played during the weekend.

The Minden entry advanced to the semi-final round of the consolation series but was defeated by Beaverton 5-1 to be eliminated from further play.

Lindsay defeated Oshawa in the final game 6-4 to claim the championship.

The consolation honours were taken by Beaverton. They defeated Cookstown by a 4-2 margin. They were also presented with a trophy and silver medallions to mark their win.

Minden took it on the chin in the opening game of the tournament Saturday morning. Meeting Bobcaygeon in what was also a league game, the Minden squad went down to a 10-1 defeat. Kent Taylor ruined the Bobcaygeon shut-out, scoring with just nine seconds left to play. Tom MacLeod assisted on the play.

In Minden's second game, they defeated Haliburton 5-3. Tom MacLeod assisted on the play.

In Minden's second game,

they defeated Haliburton 5-3. Tom MacLeod opened the scoring for Minden in the first period on a pass from Scott Russell and David Schell. Haliburton responded when Jeff Warburton connected on a pass from Ben Packard. Aaron Davis moved Minden into the lead once again, scoring on a pass from Trini Elias and Tom MacLeod. Just ten seconds later, Erin Nicholls scored for Haliburton, the assist going to Jaro Cooper. Before the period ended, Haliburton claimed another goal, this one coming off the stick of Drew Mitchell, an unassisted effort.

Scott Russell scored the only goal of the second period. Joey Newman and Gord Wood received the assist.

Russell scored again in the third period to give Minden the lead. It was a power play goal with assists going to Tom MacLeod and Kent Taylor. John Wells scored the insurance goal for Minden, with assists to Tom MacLeod and Kent Taylor.

In the third Minden game, Scott Russell scored the only goal as the squad faced Beaverton. They lost 5-1. The assists on the goal went to Tom MacLeod and Gord Wood.

The following is a rundown of games played during the

tournament:

Opening round: Bobcaygeon 10 - Minden 1; Lindsay 6 - Haliburton 0; Creemore 5 - Beaverton 1; Bewdley 5 - St.

Pauls (Peterborough) 0; Oshawa 11 - Cookstown 0; Oshawa Canadians, being an

extra team for the tournament, advanced to the next round in the championship series.

Championship: quarter finals: Bobcaygeon 5 - Oshawa Canadians 1; Lindsay 3 - Creemore 0; Oshawa 5 - Bewdley 1,

Oshawa claims a bye to the championship final. Semi-final: Lindsay 4 - Bobcaygeon 2. Final: Lindsay 6 - Oshawa 4.

Consolation round: quarter finals: Minden 5 - Haliburton 3; Beaverton 6 - St. Paul's 1;

Cookstown 2 - Oshawa Canadians 2, Cookstown advances to the consolation final having scored the first goal of the game. Semi-final: Beaverton 5 - Minden 1.

Consolation final: Beaverton 4 - Cookstown 2.

Members of the Lindsay Kinsmen Pee Wee hockey team gather around Minden Minor Hockey president Mervin Barry as he presents the captain of their team with the championship trophy. The award was made at the close of the Rotary Pee Wee International Tournament, Sunday in Minden.

PUCK TALK

Novice

The Minden Novice team played two games this past week winning one and losing the other. In the first match, the team lost 3-0 at the hands of Fenelon Falls in that community.

The second game, on home ice Sunday, saw the team defeat Little Britain by a 7-4 score. Robie Ackerblade and Jay Hughes led the scoring for Minden, each claiming a hat-trick. Hunter Obee assisted on one Hughes marker while Kevin Buchannon assisted on one Ackerblade goal. The others were unassisted. The other goal scored for Minden came off the stick of Randy Bull. It was unassisted as well.

Steven Beaver was in the nets for Minden.

Atom

Tom Heppleston scored the only goal for Minden as the team was defeated 10-1 in a game played in Oakwood on January 13. Scott Russell picked up the assist on that marker.

Moving over to Little Britain Thursday evening, the same pair clicked again to give Minden its only goal of the contest. Little Britain defeated Minden 17-1.

Minden was hampered in the Little Britain game by being able to ice only seven players. During the course of the game two members of the team were injured, further depleting the ranks.

Pee Wee

The Minden Pee Wees battled to a 3-2 loss January 12 in a game played in Haliburton. Erin Nicholls opened the scoring for Haliburton in the first period on an unassisted effort. Jeff Emmerson followed with another for Haliburton, assists going to Nicholls and Jaro Cooper. Before the period ended Minden scored, Gord Wood connecting on a pass from David Preston and Scott Russell.

Into the second period, Jeff Smith scored what proved to be the winning goal for Haliburton. Drew Mitchell and Jeff Warburton claimed the assists. The final Minden goal came in the third period

Recreation hockey scores

Hall's Insurance defeated Home Hardware in one of two Minden Recreational League hockey games played Monday evening at the Minden arena. The score in the contest was 6-4.

In the second game, Hartwick Construction and the Rockcliffe Hotel Foam Blowers battled to a 5-5 tie.

when Gord Wood connected again with Tom MacLeod and David Preston picking up the assists.

Minden was playing without their regular netminder and so forward John Wells donned the pads. He turned in an excellent game for the Pee Wees.

Bantams

The Minden Bantams suffered a 10-5 defeat at the hands of Bobcaygeon in a game played Sunday at Bobcaygeon. Minden goals were scored by Glenn Hall, unassisted; Greg Newell, unassisted; Jeff Howe from Paul Aggett; Paul Walker from Glenn Hall and Mike Gorveatt; and Paul Aggett from Jeff Howe.

Midget

In a close contest, the Minden Midgets edged Little Britain 8-7 in a game played Friday out of town.

Rob MacLeod led the way for the Midgets, scoring three goals and assisting on one other. Other Minden markers were netted by Jeff Stamp with a pair, one unassisted and an assist; Scot Hamilton with a pair and one assist and Andrew Shapiera with a single and one assist. Other assists were credited to Doug Schell with two; and Greg Newell and John Dillon with a single each.

Little Britain scored a power play goal with 22 seconds remaining on the clock and came within striking distance of the Minden lead. The Monarchs were able to hold off the attack, however, and win the game.

Juvenile

In a game played Friday evening at the Minden arena, Newcastle defeated Minden 2-1. No details of the game are available.

The schedule

Thursday January 21: 6 p.m. - Haliburton Atoms at Minden. 8 p.m. - Haliburton Bantams at Minden.

Friday January 22: 8 p.m. - Oakwood Juveniles at Minden.

Saturday January 23: 2 p.m. - Beaverton Novice at Minden. 5:30 p.m. - Woodville Bantams at Minden. 7 p.m. - Woodville Midgets at Minden.

Sunday January 24 4:30 p.m. - Bobcaygeon Midgets at Minden.

A lot of people call life "The Survival of the Fittest". You know, a lot of people are right.

PARTICIPATION

This is Minor Hockey week

"Minor Hockey is for the Player", is the theme for Minor Hockey Week in Canada, January 16 - 23, 1982.

According to Dob Robb, executive director of Hockey Ontario, it's time coaches, parents, league officials and players of all ages across the country take that slogan to heart all year long. "Hockey Ontario was formed to help create an environment that would give all hockey players the opportunity to participate in and enjoy the game at their specific level of competence," said Robb. "Hockey Ontario's mandate is to help upgrade skills for coaches,

referees, trainers, administrators and players and to make the game more fun for all concerned."

Robb noted that recent statements by high profile hockey spokesmen like Bobby Orr calling for parents and coaches to put less competitive pressure on young players and make the game more enjoyable for them have been greeted with tremendous enthusiasm by the public at large.

"I'm really pleased that Bobby Orr has echoed the sentiments of Hockey Ontario in this area. He knows how concerned a growing number of parents and minor hockey

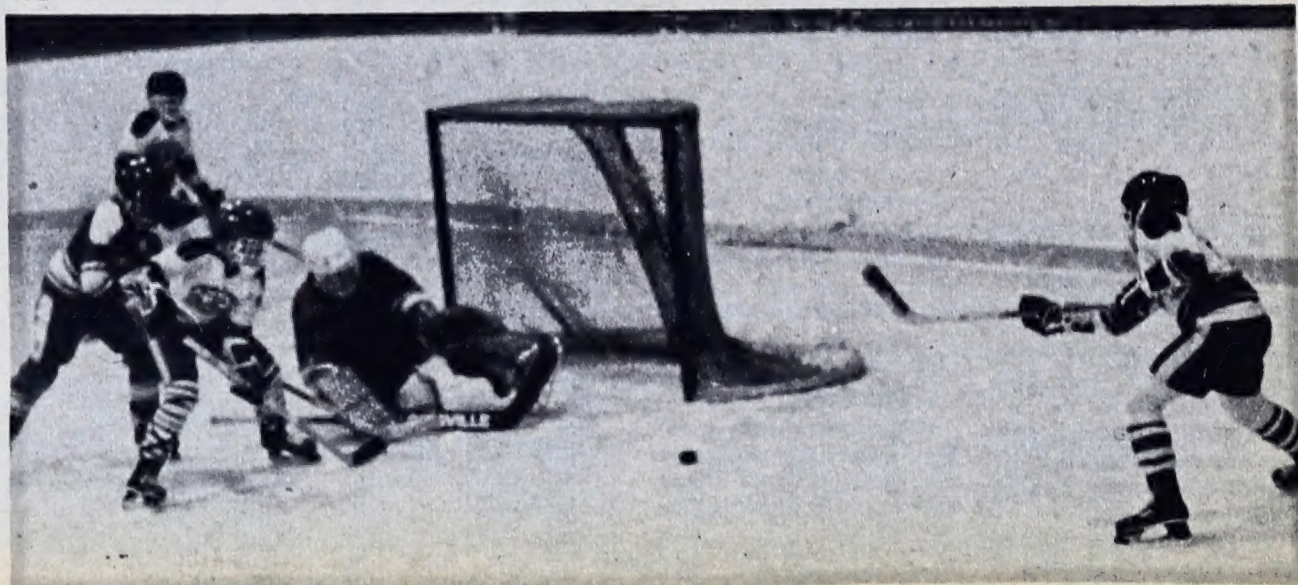

people are about the kind of pressure associated with 'winning at all cost' that many youngsters are facing. We welcome all the help we can get from people like Orr in drawing this into the public focus," Robb said.

"One of the many ways in which Hockey Ontario strives to achieve its goals is to publicize 'Fair Play Codes' for players, parents and officials which have been produced by the Canadian Council on Children and Youth.

"During Minor Hockey Week '82, especially with the theme, 'Minor Hockey is for the Player', it would seem appropriate that the Fair Play

Codes for players and parents be re-introduced to everyone connected with minor hockey in Ontario," added Robb.

In its pursuit of better skills and more fun for boys and girls of all ages participating in hockey, Hockey Ontario spearheads numerous programs. These include the production of instructional films and publications for players, coaches, referees, administrators and parents, as well as on-going certification courses for referees, trainers and coaches in communities throughout the province by Hockey Ontario personnel and volunteers.

Minden Pee Wees, in the light jerseys, apply pressure around the Beaverton net in the semi-final consolation series game of a weekend tournament. The Beaverton team defeated Minden and went on to win the consolation championship.

FAIR PLAY CODES

Player's Code

- 1 Play for the "fun of it", not just to please your parents or coach.
- 2 Play by the rules.
- 3 Never argue with the officials' decisions. Let your captain or coach ask any necessary questions.
- 4 Control your temper — no "mouthing off", breaking sticks, throwing bats or other equipment.
- 5 Work equally hard for yourself and your team — your team's performance will benefit and so will your own.
- 6 Be a good sport. Cheer all good plays, whether your team's or your opponents'.
- 7 Treat all players as you yourself would like to be treated. Don't interfere with, bully or take unfair advantage of any player.
- 8 Remember that the goals of the game are to have fun, improve your skills and feel good. Don't be a show-off or always try to get the most points or penalties.
- 9 Cooperate with your coach, teammates and opponents, for without them you don't have a game.

Parent's Code

- 1 Do not force an unwilling child to participate in sports.
- 2 Remember children are involved in organized sports for *their* enjoyment, not yours.
- 3 Encourage your child always to play by the rules.
- 4 Teach your child that honest effort is as important as victory so that the result of each game is accepted without undue disappointment.
- 5 Turn defeat to victory by helping your child work towards skill improvement and good sportsmanship. Never ridicule or yell at your child for making a mistake or losing a competition.
- 6 Remember that children learn best by example. Applaud good plays by your team and by members of the opposing team.
- 7 Do not publicly question the officials' judgement and never their honesty.
- 8 Support all efforts to remove verbal and physical abuse from children's sporting activities.
- 9 Recognize the value and importance of volunteer coaches. They give of their time and resources to provide recreational activities for your child.

HOCKEY ONTARIO

The Minden Tykes, the smallest of minor hockey players, took to the ice January 12 for their first game of the season. The tiny pucksters obviously enjoyed the chance to test their hockey skills.

Huskies split weekend games

The Huskies split a pair of high-scoring games during the weekend as they faced the Bracebridge Bears in a home-and-home series. The local squad went down to a 12-8 defeat Friday evening in Bracebridge and managed an 11-10 win Sunday afternoon back on home turf.

Dave Nicholls led the way for the Huskies Friday, scoring three goals and assisting on two others. Other Haliburton goals came from Ron Yake with a single and three assists; Tim Davies, Corey Walker and Chris Hodgson with a goal and assist each and Gary Harrison with a single. Assists were awarded to Scott Arbuthnot with a pair, Duff Mitchell, Shaun Chapman and Rob Abbs with a single each.

The Huskies captain, Ron Yake, spearheaded the Sunday attack netting five goals and assisting on one other. Shaun Chapman

scored two for the Haliburton team, one an unassisted effort. Duff Mitchell also scored a pair of goals with two assists also credited to his account.

Single goals were tallied by Dave Nicholls, who also assisted in six other Huskies efforts, and Ed Roberts, who scored a single. Tim Davies assisted on three goals although he went scoreless.

Chris Hodgson assisted on two and Rob Abbs and Jim Lee assisted on one each.

The Huskies travel to Midland this Friday evening and are back in Haliburton Saturday evening to face Parry Sound. Game time is 8 p.m.

A special note for the Minden area fans: to make up for the Minden game cancelled two weeks ago, the Huskies have scheduled a Sunday afternoon contest for January 31. More details on that game next week.

Bishop joins Minden congregation for breakfast

Right Reverend Desmond Hunt stands at a podium in St. Paul's Anglican Church while snow swirls by the windows. His speech is punctuated with humorous quips that send laughter through the crowd of 60 that has gathered to hear him. "The world is a troubled place," he muses. "Poland, Afghanistan, even the Argos and the Leafs aren't doing so well." Later his prayers and hymns are interspersed with an amiable clatter of breakfast dishes and coffee cups.

This is not the tone one might expect of a Bishop's address, but informality was the key to the success of Bishop Hunt's prayer breakfast, held Saturday morning in the Parish Hall of St. Paul's Anglican Church in Minden. Residents from as far away as Lindsay and Kinmount joined the Bishop in prayers and hymns, and listened to his perspective on the world and the changing role of the Church.

Bishop Hunt's prayer breakfasts are a regular monthly event in both Oshawa and Peterborough, but Saturday marked the first for Minden and the Haliburton area. For the Bishop they provide an opportunity to get to know his congregations on a more personal level. "Prayer breakfasts are an informal time of sharing, singing and Bible study," he says. "They let me meet people in a way I couldn't ordinarily. I'm usually dressed in robes and conducting a sermon, which is a completely different thing altogether. I'm very gratified at the response here in Minden."

Bishop Desmond Hunt

Getting to know a congregation is nothing new to Bishop Hunt. An ordained minister now for 40 years, he has served in Quebec City, New York state, Kingston and, most recently, at the Church of the Messiah, in his birthplace, Toronto.

Right Reverend Hunt is one of five Bishops in his Diocese, one of four suffragans under the Archbishop in Toronto. His chief responsibility is the region of Trent-Durham, which stretches east-west from

Apsley to Lake Simcoe, and north-south from Victoria-Haliburton to Lake Ontario.

Since his consecration as Bishop one year ago, Hunt has made three visits to Minden from his home in Lakeview. He hopes that the prayer breakfast will become a regular event here as well as in the larger centres to the south. Both Bishop Hunt and Reverend George Elliott of St. Paul's take Saturday's success to mean such a move would be well received in Minden.

Successful year for Society

1981 was a busy and active year for the Minden Horticultural Society. The group was involved in numerous projects and activities. The following summary of the year's events was prepared by the society's secretary, Jean Marsh.

-During the year, we held 9 monthly meetings at which we had the pleasure of hearing 8 interesting guest speakers. Twelve executive meetings were held.

-Plants were provided and planted in 36 hanging baskets, as well as 6 flower beds in town, and one at the Stanhope Municipal Office. Mr. Brubacher donated the plants for the Shell Station garden, and saved geraniums from the previous year which were planted at the golf course.

-Our officers underwent a shuffle due to resignations and others leaving the community. Five members attended the Ontario Horticultural Association spring seminar at Omemee, but no one was able to attend the conventions in Niagara Falls and Cobourg.

-A Junior Society was organized under the leadership of Jean Lacey and have done very well, including the winning of second prize for their float in the Fall Fair parade. Keep up the good work, Jean and children!

-A Certificate of Service was presented to George and Edna Tipton for their valuable participation in our Society.

-Fourteen gardening books were presented by Mr. Shea, our District No. 4 Representative of the O.H.A., which are to remain in the Public Library for reference purposes.

-Two Colorado Blue Spruce trees were purchased and planted at the Cultural Centre during its official opening. We now hold our meetings at the Cultural Centre.

-Purchases were made of a coffee urn, membership cards and get-well cards. Also 500 tulip bulbs were purchased and planted by the Junior Society at the bridge garden.

-A very successful Flower

Show was held under the capable direction of Pat Campbell and all visitors found much beauty amid the displays and entries. Thank you, Pat and your assistants.

-Mr. Amos Brubacher, our president, and Mrs. Brubacher moved to Cambridge. Our loss is another society's gain. We wish them success and our blessing.

-A vote of thanks to Bernice Gillies and her helpers for providing our lunches, and also to Sue Sisson for looking after our membership.

-1981 has been a very successful year, with our membership of 227 seniors and 28 juniors.

Agency opens in butcher shop

Minden and area residents can now order their airline tickets at the local butcher shop.

While that may sound odd, according to Al Coneybeare, proprietor of Coneybeare's Butcher Shop, it is, in fact, true.

Al has opened the Butcher Shop Travel Agency and will operate the business out of a portion of the present butcher shop on Minden's Main Street.

The outlet will actually be an agency location of D.C.E.C. Travel Services Limited of Oakville. All ticketing will be done through the Oakville office with travel requests, and ticket orders being taken at the Butcher Shop. The agency will also have information on travel packages and other details requested by travellers.

Coneybeare noted that the Oakville agency has been in operation for 15 years. It is owned by Bill Brouwers, who has a connection to this part of Haliburton County. He

owns a cottage on Big Bob Lake west of Minden.

"We will be able to provide tickets for all travellers," Coneybeare commented, "including bus, plane, package tours, cruises and more." He explained that travellers placing their orders through the agency will receive their tickets approximately two weeks prior to their departure with the head office in Oakville handling all the details.

Coneybeare noted that a portion of the butcher shop

will be set aside for the travel agency with office space in a portion of the building being set aside for transacting travel business.

The agency will open the same hours as the butcher shop.

"This has to be a first for Canada," Coneybeare commented. "Our's is probably the only place in the world where you'll be able to buy an airline ticket and the wing steaks to go with it."

News from THE COUNTY TOWN

by Yvonne Guida

It is very cold outside these winter days, but I hope you all keep warmth and the promise of spring in your hearts.

Reverend and Mrs. George Elliott have a favourite guest back visiting for the winter. A little dog named Lucy whom I am sure is familiar to a lot of people here in town.

Regretfully I announce the death of Mr. Michael Schlosser of Minden. He is survived by his wife Florence and son James. Deepest sympathy goes to the family.

I will be conducting another art class beginning Tuesday, April 13th and ending Tuesday, June 15th at Archie Stouffer School under the auspices of Sir Sanford Fleming College. Classes are from 7 to 10 p.m. The previous class proved quite successful, so I do hope that adults will take advantage. I look forward to seeing old and new friends in the class.

The Anglican Parish of Minden held a combined service at St. Peter's, Maple Lake this past Sunday. The service was conducted by Father David Mulholland, Chaplain to the Mission of the Seamen's Union. The Union is based at the harbor in Toronto and covers the Great Lakes. Father Mulholland gave a very interesting lecture with slides, regarding the Seamen's Union, after which a potluck lunch was served.

Mrs. Taylor Kernohan spent the weekend in Whitby with Mr. and Mrs. Bud Kernohan and attended the christening of her great granddaughter Catherine Michelle Bibeau, infant daughter of Michael and Karen Bibeau (Nee) Kernohan.

The community sends its best wishes to Rev. Amos Brubacher who suffered a heart attack recently at his new residence in Cambridge.

He is currently in hospital in that community. We wish him a speedy recovery.

St. Paul's Thrift Shop will be open Friday, January 22nd from 1:30 to 4 p.m. Hopefully

it will be open every Friday from now on.

On Saturday, January 30th, Boy Scouts will be serving soup and sandwiches at St. Paul's Parish Hall from 11:00 to 3:00 p.m. Crafts will be on display and for sale upstairs from 11:00 to 3:00 p.m. Anyone desiring to display their work may do so. Please contact Leone Skead at 286-2663.

St. Paul's Parish Mini Card party winners are as follows: Cribbage - Lill Porter - Ethel Leigh; Euchre - Lone hands - Betty Harper - Gladys Wruth - Nancy Moore.

On Friday, January 22, there will be a free movie for children shown in the Common Room of the New Cultural Centre from 7:30 to 8:30 p.m., and on Monday, January 25, there will be a free movie for adults from 2 to 3 p.m.

The following is a recipe for what I call Royal Canadian Lemon Pie: Baked pie shell, 5 large eggs separated, 1 cup sugar, 1/2 cup flour, 1 1/2 cups tepid water, 1 tablespoon butter or margarine, 1/4 cup lemon juice. Separate eggs and let the whites stand at room temperature. Mix together 1 cup sugar, 1/2 cup flour, slowly add 1 1/2 cups water, and the 5 beaten egg yolks. Cook over double boiler, stirring constantly until thick. Remove from heat and add 1 tablespoon butter and 1/4 cup lemon juice. Pour into baked pie shell. Beat egg whites until very stiff, add 1/4 cup sugar, beating constantly. Spread over pie and bake in 375 degree oven for 10

Hi! Lot of traffic in town over the weekend for the car races. Also quite a few snowmobilers and skiers.

It has been so cold these people have to be very careful of frost-bite. Skin can freeze in two minutes, if exposed in this weather.

There was a hockey tournament over the weekend, with the players being billeted in homes in the area.

Hey! What do you know? NO sports on Sunday on the T.V., a-a-ah peace, but they'll make up for it next week.

Glad to hear that Mrs. Ada Brown is home from the hospital.

Richard Hubbard and Jack Collins from Willowdale, were up skiing in the area over the weekend. They stayed at Northern Eagle. When it was time to leave for home they discovered their van wouldn't start. They want to thank Mr. and Mrs. Saunders for all their help and a special thanks to Ernie Wright who fixed the problem then took them home to his house where Arnie had dinner waiting for them. They thawed out and were soon on their way home.

We are very sorry to hear that Mr. Brubacher had a very bad heart attack and is in intensive care in Cambridge Hospital. We are praying for his recovery.

The Minden and District Horticultural Society is having a pot luck dinner on February 9th. All are

minutes or until nice and brown. Published in the Garden City Hist. Society Cook Book.

To Winter
Whirling and swirling, the little flakes fall,
Tumbling down, spreading white over all.
Twinkling like stars in the chill of the night,
Or shining like jewels in the pale morning light.
God's artists at work with a delicate hand,
Creating His beauty all over the land.
Yes, Winter is here with his ice and his snow
And has covered all things sleeping softly below,
But soon with his cold hoary breath he'll depart
And fey Spring will return bringing joy to each heart.
With her promise of living things soon to be born
That will face a new world in the bright of the morn.

Yvonne

'Till next week -

Lines from Lutterworth by Jean Lacey

welcome so keep looking for announcements.

Don't forget the Winter Carnival coming up in a couple of weeks.

If the engine stalls after a short run in cold weather it is either icing in the carburetor; frozen fuel lines; choke is opening too soon; a defective pump circuit in the carburetor; the heat-riser valve is stuck open; there is a defective thermostat or it is the wrong fuel.

Hint of the Week
For an easy way to clean silver - place tin foil in the bottom of a pan large enough to hold your silver even if it is one piece at a time. Cover with water, put in some baking soda and bring to a boil. Rinse, dry and put away.

The world isn't any worse, you just understand it better.

Kids Korner
Well, kids, I hope you are bundling up on these cold days. It only takes a few minutes to get frostbite, so be careful when you are outside playing.

What bird can lift the heaviest weight?

A Crane

What increases in value by half when you turn it upside down.

The number 6

What is another name for coffee?

Break fluid
Take it easy. God bless till next time. Bye for now.

by
Bert Harrison

No service in the chapel Sunday night. Rev. Burgess was snowed in. The last few days the weather has been quite grim.

Monday morning, fun and fitness down in the gym, where they make you exercise to keep you fit and trim.

Monday afternoon in the craft room, sewing, stitching, knitting. Others say if they have to work so hard, they'll be up, and quitting.

We watched two movies Monday night - "Five thousand brains" and "Hot dog skiing". They were movies that were well worth seeing.

A word about our nurses, no finer in the land, always more than willing to lend a helping hand.

Tuesday morning, Mr. Wicks of Minden Gospel Church held a very interesting service here. He took his text from the Twenty-third Psalm. We thank him for coming that bitter cold morning.

Tuesday night, Deacon and Payne came to entertain and cheer us up a bit, for some nights all there is to do is sit, and sit, and sit. They played and sang some old time songs, that took

us back to days of yore. No matter how much they sing, and play, we always yell for more. We look forward to this special time when musicians come to entertain us, and never charge a dime. Thanks, Payne and Duncan for entertaining us so well. If you come again next month, it really will be swell.

Wednesday, the ladies were working away again in the craft room - always working. I just don't know what they are doing, but their work there is not shirking.

Every Thursday afternoon, a group of Ladies from county or town,

THE TIMES Page 13
put on a tea party for us and never let us down. This week, it was the Minden ladies of the Kinette Club. Not only a cup of tea but some real good grub. Would like

to thank all these ladies for being so kind to us.

They all seem to do it, without a bit of fuss.

It is sing-song time again on Friday afternoon. Mrs. Coburn and Norma came to play, and sing merry tunes. Thank you both for coming to entertain us once again. I would still like to see a few more men join us.

The Power of "Littles"
Great events, we often find,
On little things depend;
And very small beginnings
Have oft a mighty end.
Until next week.

THANK YOU!

The Minden Minor Hockey thanks all the area residents who provided billets for hockey players this weekend.

Your generosity is most appreciated.

Thanks as well to the volunteers who assisted in so many ways during the Rotary Pee Wee tournament.

CARD OF THANKS

The family of the late Edward "Ted" Carpenter wish to express their gratitude for the kindness shown in prayers, visits, food, flowers, cards and charitable donations during our recent bereavement. Special thanks to the Minden ambulance drivers, Haliburton County Roads Dept., Haliburton Gospel Church ladies, Rev. Rick Brewster, Rev. John James and Rev. Stan Rukin for their comforting words, and Gord Monk for his kindness and understanding.

Doug, Wanda, Ivan, Fern, Albert and Families

AT REST

SCHLOSSER, MICHAEL - suddenly at Haliburton on Sunday, January 17th, 1982 in his 71st year, beloved husband of Florence Schlosser, dear father of Jim of Minden, loving grandfather of Donald and Leanne, also survived by several brothers and sisters. Resting at the Gordon A. Monk Funeral Home, Minden after 2:00 p.m. Tuesday. Complete Funeral Service in the chapel on Wednesday, January 20th, 1982 at 1:30 p.m. Cremation.

RICE - SHIRLEY FAY - It is with deep sorrow that the family announce the passing of Shirley Fay Rice (nee Collins) late of Minden, formerly of Don Mills, on Saturday, January 16, 1982. She will be sadly missed by her husband John, her children, David, Sharon, Janet and Gary, her sister Ruth Taunton, her brother David and by all who knew her. A private service was held at the Paul O'Connor Funeral Home in Toronto on Monday. If desired, donations may be made in her memory to the Director of Toronto Humane Society. IC
